

# GUIDELINES FOR EUCHARISTIC ADORATION

Thank you for participating in Eucharistic Adoration at Saint Patrick Parish.

We appreciate your attention to the following points:

- **The Eucharist may NEVER be left unattended in the church. This is an absolute rule.**
- Our community depends upon you to be present each week at Adoration for the full hour timeslot for which you have signed up. We are very thankful for your commitment.
- Please arrive for your hour of adoration five minutes before it begins.
- If you are unable to be present for your hour timeslot, please attempt to find a replacement for yourself. Please be sure to telephone the other parishioner who shares your hour timeslot to inform him/her who is your replacement for the week.
- You and the other parishioner who shares your hour timeslot may agree on a particular week that only one of you will be present for Adoration, but this should be a rare exception.
- If you have concerns that you wish to communicate to the parish office during your hour of Adoration, please use a mobile phone to call the office (978-683-9416) from the church. **To repeat: the Eucharist may NEVER be left unattended in the church.**

If you have questions or concerns about Eucharistic Adoration, please speak with a member of our staff in the parish office.

Once again, thank you, and God bless you!
